ANOTHER CANCELED AT UM

MISSOULA--

Showing of an art display entitled "American Printmaking of the '20s and '30s" has been extended several days and another display has been canceled in the University Center Art Gallery at the University of Montana.

The "American Printmaking" display, on loan from the Western Association of Art Museums, will be held over through Friday (April 6). The other display, entitled "Contemporary French Novel," which originally was scheduled to be shown in the UC Art Gallery from April 4-13, has been canceled.

Included in the "American Printmaking" exhibit are lithographs, etchings and woodcuts. The display was organized by Pratt Graphics Center of New York City.
